The image shows a modern residential exterior. In the foreground, there is a rectangular swimming pool with a light blue interior and a white tiled deck. To the left of the pool is a wall made of large, rectangular, light-colored stones. To the right, a portion of a building with a light beige or cream-colored facade is visible. A small, dark, rectangular vent or chimney is mounted on the wall above the stone wall. On the building's facade, there are two horizontal shelves holding several small potted plants in yellow, red, and orange pots. A single blue outdoor light fixture is mounted on the wall. Some greenery, including a bush and some tall grasses, is planted around the base of the wall and the building. The sky is clear and blue.
